

I Believe... A study of questions of faith

Do you know what you believe? Can you articulate what you believe about the most fundamental questions of faith? Who is God? Why is He concerned for Man? What is Sin? What role should scripture play in your life? Was Jesus a man – or God? What is the role of the church today? Is there a heaven or hell? Why do they call Jesus – Savior?

This 13-lesson series is designed to

- *Engage the seeker in a personal journey to **build their own faith** (not that of the minister, parent or friend);*
- *Provide the seeker a **starting point for their journey** into the scriptures to build personal understanding; and,*
- *Challenge the seeker to articulate (and defend) a personal statement of their **own beliefs** related to these topics:*
